Officer J. Bundren was on special assignment at the State National Bank guarding a Treasury Dept. display of money. The display is located on the west lobby of the bank.

At approx. 4:20PM I heard two shots from the east side lobby of the bank and ran through the area behind the real estate collections dept. to where the shots had come from. I ran out the door of the bank chasing the subject to the corner of Oregon and Overland and then west on Overland. I then put the handcuffs on him, turned off the car, put the keys in my pocket, and took him back to the bank to the Personnel Office. I then called the police station and asked for assistance.

ADDITIONAL DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.

September 21, 1963, 3:15 PM Ref: RICHARD CASE MAGELL, DR: 8036

The subject was taken to the office where he was interviewed at length concerning this offense. He at first refused to talk about it, saying that he had nothing what-so-ever to say to anyone. However, after being informed of the process of prosecution (arraignment, posting of bond, etc.) the subject stated that he remembered all of the details but that he would not make a written statement nor could he sign anything. He states that after being discharged from the Army with the rank of Captain in October of 1959, he went to work for the Lower Board of the State of California in December, 1959. After being shot in the line of duty, he was discharged by the Board after which he went to Mexico City. The subject was hesitant to go into details concerning his discharge but did state that the gun he used in this offense was the property of another agent presently employed by the Board. He decline to name this person stating that he would do so after his trial in order that the gun might be returned to him. He went on to say that he has two (2) children living with their mother in California. He added that they have been divorced and that this will become final on October 5th. He went on to say that since he has been unable to pay support for the past year and a half, due to his being unemployed, he has been ordered by the court not to see the children. When questioned about his family, he stated that he has only a sister living in New York and that he did not want her notified. He added that should she come and attempt to see him, he will refuse to see her. He added that the vehicle he was driving is his property and that presently owes \$193.00 on it. He went on to say that he had spent some time in Miami, Florida, and that while he was there, one (1) set of plates were sent to him. Upon his return to California, he found a second set had been sent to him and consequently he kept both. The subject, obviously well versed in criminal intelligence and interrogation procedures, stated that he was not quite ready to tell anyone why he committed this offense but that when he thought the time was right, he would do so. He readily stated that he knew he would be caught, that he saw the officer (Bundren) when he first went into the bank, and that he had no intentions of injuring anyone. He remarked at this point that it would have been easy for him to do so, and also to shoot the officer, as he is a "crack pistol shot". The subject was extremely concerned with the publicity he had received in the newspapers and at this time expressed strong resentment over the fact that his photograph had been taken. He went on to say that after three (3) or four (4) days, he didn't care how many pictures were in the papers, but he didn't want any until after that time. Mr. WHITE, FBI, was contacted and he stated that San Jose charges would be filed and that the subject was to be arraigned at 2:00 PM in Commissioner's Court. The undersigned took the subject, his property & evidence to Court and

Ref: 5-1-1-RICHARD CASE MAGELL

As per instructions from Lt. A. Wilson the undersigned went to the State National Bank at about 5:10 P.M. . . When officers arrived Agent Ed Murphy who was in charge of the F.B.I. Investigation at the time.

Agent Murphy advised that he had interviewed a party by the name of HAMILTON COLLINS of 5151 Montoya who had been in the bank at the time the subject had fired the two shots. Mr. Collins had stated to Agent Murphy that he was standing at window #10 when the commotion commenced. Mr. Collins stated that he looked toward the other end of the bank and he saw a subject run back to about one third of the distance between the door and the teller's cage and turn and fire two shots. Mr. Collins advised that he never did see the subject's face due to the confusion. The subject then turned and ran out the door that leads to the Oregon Street side of the bank. The two ~~bullet~~ bullet holes measured as follows: The right hole was 34" from the right wall edge and 93" from the floor. The left hole measured 61 1/2" from the wall edge and 92 1/2" from the floor. The ~~bullet~~ holes were 27 1/2" apart. From inspection it was learned that both slugs passed through the wall board construction and through the wire mesh and then both slugs struck the sheet metal air conditioner duct and fell downward toward the floor. At this writing one slug has been recovered.

F.B.I. Agents also interviewed JOHN GRISON of the Del Norte Mortgage Co. and Mr. Grison had stated that he had observed a subject running from the bank on the Oregon Street side. Mr. Grison was not interviewed as he had left the bank and there was no address obtained.

Victim, Patsy Clydine Gordon, was interviewed at the bank and then brought to the station where she viewed a line up and also a witness statement was obtained. Details are included in another supplement.

After being the viewed in the line up the subject was being brought around the corner of the hall way to be taken back into the Robbery and Homicide Office and the subject viewed various newmen line up in his path. He started to refuse to walk down the hall and was taken by the arm and escorted down the hall way. As he was escorted he covered his face with both hands and ran headlong toward the windows in the assembly room and was turned away from the windows by officers. All this was done by guiding the subject was officers had him by the arms. After the subject was placed in the Robbery and Homicide office he sat down and looked and Sgt. W.R. Barron and said "You punk cop-if I ever get the chance to "hit" you I will".

Subject was left in the Robbery and Homicide Office where he was being interrogated by F.B.I. agents.

THIS STATEMENT was given voluntarily to GEORGE FICKES

of the El Paso Police Department by PATSY CLYDENE GORDON

Address 1116 DYER ST. SPACE #25 WITNESS IN THIS CASE

My name is Pat Patsy Clydene Gordon and at the present time live at 1116 Dyer St. in El Paso, Texas. I have worked for the State National Bank for the past 2 Years and 1 months. This date, Sept 20, 1963 I went to work at the bank as usual and as best as I can figure it must have been about 4:30 PM, when I was approached by a man, whom now I know to be RICHARD C. NAGELL, at my teller's window. As best I can recall that he is an anglo male, dressed in what appeared to be a Blue Suit with a White Shirt. He came over to me, leaned over at the counter and asked if or rather said, I WANT \$100.00 in Traveler's checks. I was going to step over to the check window or rather drawer to get the checks, when I remembered to ask him how he wanted the checks. I started to ask him, What, when he said! Lady, this is a real gun. About this time I looked over to him and saw what appeared to be a Black or Blue pistol. It was not very big. About this time I turned around and ran toward the back of the teller's cages and was about to enter the hall right behind, when I heard two (2) shots. Just about that time one of my co-workers, Bess Cole approached me and we both ducked under a counter. Now while at the station and viewing the line-up, the man that is in the number two (2) place is RICHARD C. NAGELL, who approached me at the bank, and who requested the traveler's checks from me, and also who pointed the gun at me.

I HAVE READ THE ABOVE STATEMENT AND I FIND IT TO BE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.
